Grab people's attention with your own, custom car magnet from JARU! Promoting your company should not be limited to business cards and mailers - car magnets allow you to constantly keep your business on the minds of the public.

Go to Our Car Magnet Section of our Website

Car magnets work all the time whether driving through town, or sitting in a parking space people all around can see your business and know what you do.

At Jaru you can customize your car magnet. Don't be limited to the designs and sizes of the online printers. Pick the size you want! We can use your design or our In-house graphic artists can help. Don't like the square patch look? We have the technology to cut the magnet to the shape you desire.
