### Did ya Know... Fun Winter and Olympic Facts

According to Holiday haven.com  
Winter wonderland facts:

- We have all heard that no two snowflakes are alike. Did you know a scientist took 400,000 to prove it?
- Icicles form most often on the south side of buildings.
- 60% of the Earth's fresh water is stored in the polar ice caps.
- Hot water freezes faster than cold water.
- The tallest snowman was 113 feet 7 inches tall. Named Angus and made in Bethel Maine in 1999.
- Nine years later in 2008 this same town created the world's tallest snowwoman. The snowwoman stood 122 feet 1 inch tall.

AND from examiner.com  
Olympic facts:

- The first winter Olympic Games were held in France in 1924
- Norway has won 263 medals, the most in any winter Olympics.
- The first person to win gold at a winter Olympics was an American, Charles Jewtraw. He won in the first event the 500 speed skating.
- Sixteen nations competed in the first winter Olympic Games with 285 athletes
